

Which battery is the best in Islamabad

Overview

Osaka is one of the most popular and also largest battery manufacturers here in Pakistan. The company is known for providing premium quality batteries for vehicles like cars, motorcycles, and garden vehicles. AGS is another big name in the battery industry of Pakistan. The company belongs to the Atlas group and is highly recommended for vehicles and any other electric devices. Daewoo Battery, the manufacturer of Lead-Acid Batteries is known for providing maintenance-free batteries for vehicles, UPS, Inverters, and Solar Systems. The company's Volta battery has been serving Pakistan for the last 20 years and has now become the leading manufacturer in the industry for providing unrivaled and premium quality batteries for daily use. Exide, which was incorporated in 1953 in association with Chloride Group Plc of the United Kingdom is now the leading manufacturer in the Pakistani market. The company has been
